The following is an examiner's statement of reasons for allowance:

The prior art fails to disclose an ionization source including an electrically conductive conduit having a first end electrically isolated from a sample inlet tube for receiving a sample and a second end positioned proximate an electrically conductive reference device for ionizing the sample as recited in claim 100.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
